HOUSEHOLD HAZARDOUS WASTE COLLECTION AGREEMENT

This Agreement, dated this 13th day of AUGUST, 1996 by and between the Board of County Commissioners of Monroe County and Laidlaw Environmental Services (TS), Inc., a Delaware corporation, (Laidlaw), states as follows:

WHEREAS the Sponsor desires to conduct a Household Hazardous Waste Collection Program to provide a safe, convenient place where citizens of Monroe County can dispose of stored household hazardous wastes, and

WHEREAS the Sponsor desires to hire a professional contractor knowledgeable and experienced in conducting such a waste disposal program, and

WHEREAS Laidlaw has represented that it is staffed with personnel knowledgeable and experienced in conducting such a waste disposal program.

WITNESSETH:

Now, therefore, in consideration of the mutual promises and benefits of this Agreement, the Sponsor and Laidlaw agree as follows:

1. Employment of Laidlaw. The Sponsor agrees to hire Laidlaw and Laidlaw agrees to act as the Sponsor's contractor to conduct the Household Hazardous Waste Collection Program, commencing on _____, 1996.

2. Scope of Services. Laidlaw shall perform in a good and professional manner the services identified in the Sponsor's Request for Proposal dated April 26, 1996, as modified by Laidlaw's Proposal dated May 30, 1996, copies of which are attached hereto and incorporated by reference, as well as the services listed in this Agreement. Any conflict

between the terms of this Agreement and the terms of the Request for Proposal or the Proposal will be governed by the terms of this Agreement.

a. Laidlaw shall have present at the collection site employees or agents of Laidlaw trained in the identification of hazardous and acutely hazardous wastes (collectively "Wastes") as defined by federal or (state) laws or regulations, and such materials and equipment as are necessary to handle, containerize, label, load and transport such Wastes from the Sponsor's service area in a manner conforming to (state) and federal laws and regulations.

b. Laidlaw shall accept Wastes, for transportation and disposal from the Sponsor service area, only from such individuals as are designated by a Sponsor representative present at the site as being residents of the Sponsor service area, and only in such amounts as are approved by such representative.

c. Except as provided in Paragraphs d and e below, Laidlaw disclaims all responsibility for and assumes no liability for the following Wastes which it will neither handle at the site nor accept for disposal:

Compressed Gas Cylinders, Explosives or Shock Sensitive Materials and Ammunition, Unknown Materials, Radioactive Materials, Infectious or Biologically Active Materials, Dioxin, Tri, Tetra- and Pentachlorophenols and their Chlorophenoxy derivative Acids, Esters, Ethers, amine and other Salts (i.e., Sodium Pentachlorophenate, 2,4,5-T, Silvex and 2,4,5-TP).

d. Dioxin associated wastes from households only will be handled by Laidlaw through incineration and the Sponsor will compensate Laidlaw for packaging, transportation, and disposal in accordance with the fee schedule.

e. If a citizen brings any Waste chemical listed in Paragraph c other than those listed in Paragraph d to the collection station, and if the Sponsor decides to accept the

Waste, Laidlaw will package the material for the Sponsor and the Sponsor will compensate Laidlaw for packaging services in accordance with the fee schedule in the Proposal. Laidlaw will endeavor to arrange for disposal of such material with a properly permitted and licensed Subcontractor; however, if either the disposal arrangements or the charges for such disposal are unsatisfactory to the Sponsor, then further management and disposal of such material shall be the sole responsibility of the Sponsor.

3. Time of Performance. Laidlaw shall begin the services to be performed under this Agreement upon Notice to Proceed from the Sponsor, and shall undertake such services to assure readiness for and successful completion of the Household Hazardous Waste Collection Program.

4. Termination. Either party may terminate this Agreement upon sixty (60) days prior written notice to the other, provided that such termination shall be without prejudice to any other remedy the party may have. In the event of termination, any work in progress will continue to completion unless specified otherwise in the notice of termination. The Sponsor shall pay for any such work in progress that is completed by Laidlaw and accepted by the Sponsor.

5. Excuse of Performance. The Sponsor's obligation to deliver and Laidlaw's obligation to accept for servicing any waste pursuant to this Agreement may be suspended by either party in the event of: act of God, war, riot, fire, explosion, accident, flood, sabotage; lack of adequate fuel, power, raw material, labor, containers, or transportation facilities; compliance with governmental requests, laws, regulations, orders or actions; revocation or modification of governmental permits or other required licenses or approvals; breakage or failure of machinery or apparatus; national defense requirements or any other

event beyond the reasonable control of such party; labor trouble, strike, lockout or injunction (provided that neither party shall be required to settle a labor dispute against its own best judgment); which event prevents the delivery, transportation, acceptance, treatment, incineration, or disposal of the waste.

6. Compensation and Payment. The Sponsor agrees to pay Laidlaw for its services in accordance with the price and terms of payment set forth in the attachments to this Agreement. Payment terms are net 30 days from invoice. The parties agree that damages for breach of Sponsor's obligations under this portion of the contract would be difficult or impractical to determine as a result of the difficulty of precisely measuring the additional administrative costs that Laidlaw incurs for delinquent accounts. Because of the difficulty in determining the damages resulting from Sponsor's breach of its obligation to make payment when due, Laidlaw and Sponsor agree that, in the event Sponsor fails to make payment when due, an amount equal to 1.5% per month will be added to all amounts outstanding for more than thirty (30) days. This amount will be calculated on the number of days in excess of thirty (30) days past the invoice date to the date payment is received at Laidlaw. Sponsor is responsible for notifying Laidlaw of any question concerning an invoice. In addition, Sponsor shall be responsible for collection agency or legal fees incurred in collecting payment of an invoice.

Sponsor shall reimburse Laidlaw for tariffs, fees, surcharges, or other charges imposed by legislation or regulations enacted or promulgated after the execution date of this Agreement and levied specifically upon the transportation, treatment, storage, incineration, recycling or disposal of the waste upon thirty (30) days written notice of such change in

legislation and upon submission by Laidlaw of evidence that such charges have been levied or paid.

7. Generator. The Sponsor shall be deemed to be the "Generator", for recordkeeping and paperwork purposes, of all Wastes accepted by Laidlaw during the Household Hazardous Waste Program from residents of the Sponsor's service area.

8. Licenses. Laidlaw certifies, that on the day of collection, it will have:

- a. Valid Environmental Protection Agency ("EPA") identification numbers for transportation and storage of hazardous and acutely hazardous wastes; and
- b. A valid (state) permit for transportation of hazardous wastes.

9. Insurance. Laidlaw shall procure and maintain, at its expense during the term of this Agreement, insurance covering the services to be performed under this Agreement: in accordance with Attachment A. At least 10 days before the first collection day, Laidlaw shall provide the Sponsor with a Certificate of Insurance showing coverages a, b, c and d above, naming the Sponsor as certificate holder and noting the Sponsor's interest. Laidlaw shall also provide copies of documents demonstrating coverages e and f above.

10. Title to Waste. Title to all identified Waste accepted by Laidlaw at the site from residents of the Sponsor's service area for transport and disposal by Laidlaw shall pass directly from such residents to Laidlaw at the time of its acceptance.

11. Warranty. Laidlaw warrants that it understands the currently known hazards and suspected hazards which are presented to persons, property and the environment by the transportation, treatment and disposal of Wastes. Laidlaw further warrants that it will perform all services under this Agreement in a safe, efficient, and lawful manner using industry-accepted practices, and in full compliance with all applicable state and federal laws

and regulations. Sponsor warrants that it is in compliance with all applicable state and federal laws governing its activities under this Agreement, and that it is under no legal restraint or order which would prohibit transfer of possession or title of collected wastes to Laidlaw or prohibit the servicing of such waste or Laidlaw's performance of services under this Agreement. Sponsor will cooperate and/or assist Laidlaw, as requested, with its defense, negotiation, adjustment and or settlement of a claim against Sponsor.

12. Indemnification.

a. Laidlaw shall indemnify, hold harmless and defend the Sponsor from and against any and all liabilities, claims, penalties, fines, forfeitures, suits and the costs and expenses incident thereto (including cost of defense, settlement, and reasonable attorney's fees) which may be alleged against the Sponsor or which the Sponsor may incur, become responsible for, or pay out as a result of death or bodily injury to any person, destruction or damage to any property, contamination of or adverse effects on the environment, or any violation or alleged violation of governmental laws, regulations or orders, to the extent that such damage was caused by Laidlaw's or Laidlaw's agents' negligent, willful or intentional act or omission, breach of contract or a failure of Laidlaw's warranties to be true, accurate or complete, subject to and governed by the provisions of Section 768.28, Florida Statutes.

b. To the extent allowed by law, the Sponsor shall indemnify, hold harmless and defend Laidlaw from and against any and all liabilities, claims, penalties, fines, forfeitures, suits and the costs and expenses incident thereto (including cost of defense, settlement, and reasonable attorney's fees) which may be alleged against Laidlaw or which Laidlaw may incur, become responsible for, or pay out as a result of death or bodily injury to any person, destruction or damage to any property, contamination of or adverse effects

on the environment, or any violation or alleged violation of governmental laws, regulations or orders, to the extent that such damage was caused by the Sponsor's or the Sponsor's agents' negligent, willful or intentional act or omission, breach of contract or a failure of the Sponsor's warranties to be true, accurate or complete.

13. Independent Contractor. Laidlaw is and shall perform this agreement as an independent contractor and, as such, shall have and maintain complete control over all of its employees and operations. Neither Laidlaw nor anyone employed by it shall be, represent, act, purport to act, or be deemed to be the agent, representative, employee or servant of the Sponsor.

14. Modification. No modification of this Agreement shall be binding on Laidlaw or the Sponsor unless set out in writing signed by both parties, except however that the Price List may be modified by Laidlaw providing thirty (30) days written notice to the Sponsor.

15. Headings. The titles of the paragraphs of this Agreement are inserted for convenience of reference only and shall be disregarded in construing or interpreting the provisions of this Agreement.

16. Completeness of Agreement. This Agreement and any documents incorporated by reference herein contain all the terms and conditions agreed to by the Sponsor and Laidlaw, and no other agreements, oral or otherwise, regarding the subject matter of this Agreement or any part thereof shall have any validity or bind any of the parties hereto.

17. When Rights and Remedies Not Waived. In no event shall the making by the Sponsor of any payment to Laidlaw constitute or be construed as a waiver by the Sponsor of any breach of covenant, or any default which may then exist, on the part of Laidlaw, and

the making of any such payment by the Sponsor while any such breach or default exist shall in no way impair or prejudice any right or remedy available to the Sponsor with respect to such breach or default. Any waiver by either party of any provision or condition of this Agreement shall not be construed or decreed to be a waiver of any other provision or condition of this Agreement, nor a waiver of a subsequent breach of the same provision or condition, unless such waiver be expressed in writing by the party to be bound.

18. Personnel. Laidlaw represents that it has, or will secure at its own expense, all personnel required in performing the services under this Agreement. Laidlaw is and shall perform this agreement as an independent contractor, and as such, shall have and maintain complete control over all its employees and operation.

19. Non-Discrimination Provision. During the performance of this Agreement, Laidlaw agrees as follows:

a. Laidlaw will not discriminate against any employee or applicant for employment because of race, religion, color, sex or national origin, except where religion, sex or national origin is a bona fide occupational qualification reasonably necessary to the normal operation of Laidlaw. Laidlaw agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of the nondiscrimination clause.

b. Laidlaw, in all solicitations or advertisements for employees placed by or on behalf of Laidlaw, will state that Laidlaw is an equal opportunity employer.

c. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.
